### LEGACY PROJECTS

#### **Hunter Hills Campus**

---

Our vision is to acquire the 14+ acre parcel of land, together with buildings located at 1806 Merritt Drive and renovate the property in order to provide:

- The future home of the Daystar Downtown Campus and Daystar En Español.
- A new state-of-the-art worship center with 700 seats in Phase I, with the capacity to expand to 1,100 seats in Phase II.
- Incredible Next Generation facilities, which will include a playground to greet families as they arrive, a safe and secure check-in area and age specific large group and small group spaces.
- Engaging community space featuring a large atrium that fosters community before and after each service, small group and event spaces, a playground and a beautiful outdoor patio.
- Plentiful, convenient Parking.

## Horse Pen Creek Campus

---

Our vision is to secure the 30+ acre farm at 2843 Horse Pen Creek Road as the future home of our New Garden and Northern Guilford Campuses, which currently meet in schools. Our plan is to combine both campuses at our new Horse Pen Creek Campus

The Horse Pen Creek Campus will be very visible and accessible, located on the new urban loop that surrounds Greensboro. Just like the Hunter Hills Campus, this campus will offer state-of-the-art facilities, with world class worship center, outstanding Next Gen spaces, lots of community space, and plenty of parking.

## Progress Reports

---

### Hunter Hills Campus

On March 24<sup>th</sup> we closed on the purchase of the Hunter Hills Campus from Crosspoint Church for \$1,639,501 and refinanced all existing debt for the Downtown Campus and Westover Terrace properties. These transactions were financed through the issuance of 2016 Series A First Mortgage Bonds with B.C. Ziegler and Company.

Initial design plans for the renovations and improvements of the Hunter Hills Campus have been submitted to the City of Greensboro and a General Contractor has been selected. Our expectation is to close on the issuance of 2016 Series B Bonds with B.C. Ziegler and Company, in the amount of \$5,375,000, in July or August. This conclusion of the financing will allow us to commence construction upon issuance of permits from the City of Greensboro.

## **Horse Pen Creek Campus**

In January our lease commenced for the 30+ acre farm at 2843 Horse Pen Creek Road. This lease gives us the option to purchase the property after the passing of the current owner. In the meantime, Daystar has the freedom to begin design work and proceed with construction under the terms of our lease. Once we complete Phase I of the Hunter Hills Campus project, we plan to commence work on the Horse Pen Creek Campus.
